

Glover Wharf Municipal Marina

2019 Marina Rates

The rates for the 2019 season as set by the Beverly Harbor Management Authority for Glover Wharf Municipal Marina are as follows:

Recreational Marina

Summer \$150/ft. (4/15 - 10/15)

Monthly \$50/ft. (4/15 - 10/15)

Winter \$50/ft. (for the 2018/2019 winter)

The total rate charged will be based on the greater of the length overall of the vessel or the length minus 5 of the finger pier that the vessel is assigned to (25 or 35 feet depending on availability). In addition, an administrative fee is charged of \$175 which includes access to 30 amp shore power, or \$300 for access to 50 amp shore power. Electricity costs in excess of the administrative fee will be charged at BHMA's cost as determined from meter readings.

Commercial Marina

Annual Rate \$82/ft.

A 20-foot minimum applies. Vessels less than 20 ft LOA will be charged \$1600.

Additional charges, including electric meter fees and administrative fees, will apply in accordance with the terms of the Slip Agreement.
